ABOUT A-LEAGUE CONSULT

The A-League Consult is an independent human capital development training provider and personal development specialist organization with a mission to provide/deliver quality training, capacity building and skills enhancement interventions.

At A-League Consult we seek to become the training, capacity building and skills enhancement business partner of choice to businesses and corporate organizations, SMEs, NGOs and social enterprises operating in Ghana. We provide budget friendly interventions that result in motivating employees/participants through relevant training. We offer cutting edge value for money through our training, capacity building and skills enhancement engagements designed to address your peculiar needs and cater to your team/staff developmental needs.

A-League Consult helps organizations develop their most important asset: their people. We offer highly effective training courses, run by our highly experienced and reputable facilitators. Our training courses are interactive, fun filled, and stimulate growth and development.

“ WHY CHOOSE A-LEAGUE CONSULT

Our unique and blended approach using facilitator led instruction and individualized coaching and email follow-up ensures that the people who we train have all the tools and competencies needed to become extremely successful and to drive their organizations to higher levels than ever imagined.
